Legislative Luncheon: Important Issues from the 2017 Session

Tuesday, June 27th at 12 noon

We have three northern Nevada legislators speaking at the luncheon including Assemblywoman Amber Joiner (District 24), Senator Heidi Gansert (District 15), and Assemblywoman Jill Tolles (District 25). We are fortunate to have local legislators available to speak with us about the important changes to Nevada law following this legislative session. This is sure to be a great event for all practitioners, so please mark your calendars and check back for more details regarding reserving your spot and event location.
